SUPPLEMENTAL BID BULLETIN NO. 3
Major Expansion of the Learning Resource Center
(EPA 2021)

This Supplemental Bid Bulletin dated December 7, 2020 is being issued to clarify the written queries/clarifications received by the BAC on December 4, 2020 from a prospective bidder for the project entitled Major Expansion of the Learning Resource Center (EPA 2021). The following are the issues raised (1st Column) and the clarifications (column B):

ISSUES RAISED	CLARIFICATIONS
a.) Will the expired PRC License of the nominated key personnel together with the Official Receipt from PRC be considered as proof that said professional already renewed his license?	Invalid or expired professional licenses shall not be accepted and will automatically mean disqualification of the bid. However, the LNU BAC shall observe and follow rules and regulations issued by Professional Regulatory Commission (PRC) on extension and/or renewal of validity of professional licenses. Thus, for nominated key personnel with expired professional licenses for this bidding, the bidder shall submit the proof of application of renewal and schedule of appointment at PRC, along with the requirements for renewal.
b.) Will the BAC allow an expired Certificate of Competency for Fire Safety Practitioner?	The BAC will allow an expired Certificate of Competency for the Fire Safety Practitioner provided that the bidder will attach the actual Certificate of Competency awarded to them and that the expiration date falls within the suspension period of renewal (January 1, 2020 to date).

All provisions, conditions and statements in the bidding documents inconsistent herewith are hereby amended, modified and/or suspended accordingly.
